12 Christmas ornaments

The seams are always done on the right side of the gugus in blanket stitch.

Seams are included

Snowman :

Close the round of the man keeping the bottom open, stuff lightly with fleece and continue your seam to close the round.

Sew 2 mini black pearls for the eyes.

Embroider a cross for the nose and knots for the mouth = black embroidery cotton

Sew the jacket on both sides and the top of the sleeves. !!! Fold the collar over to catch it in your seam.

Thread on the snowman and secure with a button.

Cut a 0.5mm / 4cm strip from the green felt.

Place it on the top of the head and hold it with two buttons at the ears.

Here is his earmuff

Glue the two small beads for the hands.

Lick on the back.

Norwegian elf

Sew 2 triangles on top of each other. Make 2 X

Superimpose these two sets and secure with a button.

Close the hat in the round.

Cover a large bead with raffia = the head

Secure the cap on the head as well as in the back of the pixie after the body.

Lick on the back.

The angel

Make the body as for the snowman.

Overlap and sew the wings.

Attach them to the back.

Glue the head and wool for the hair.

Embroider 3 stars at the bottom of the front.

Lick on the back.

Birdhouse

Sew around.

Fill with fleece through the central hole.

Close the hole.
